

## PRODUCT SPECIFICATION

# ICEZONE

**Range:** Surface Range

**Description:** Automatic cleaning solution for ice machines and refrigerators

### Power information:

<b>Input Voltage:</b>	100-240 V AC
<b>Input Frequency:</b>	50/60 Hz
<b>Power Supply Output Voltage:</b>	12 V DC
<b>Amperage:</b>	0.800 A
<b>Electric Consumption:</b>	9.6W
<b>Power Supply Capacity:</b>	2.08A

### Sizing information:

**ICEZONE Standard:** Up to 120lbs (56kg)

**ICEZONE Pro:** 120-250lbs (56-113kg)

**ICEZONE Ultra:** 250-550lbs (113-250kg)

### Applications:

Ice Machines and Bins  
Beverage Dispensers  
Commercial Refrigerators  
Commercial Freezers

### Benefits:

- **Exceptional Return on Investment:** Achieve significant ROI through minimised manual cleaning efforts and decreased unit downtime.
- **Enhanced Ice Machine Performance:** Maximises unit efficiency and extends its lifespan by implementing continuous cleaning measures.
- **Unparalleled Hygiene Standards:** Ensures unparalleled hygiene throughout the ice machine, guaranteeing worry-free ice production with every cycle.
- **Trusted By Industry Giants:** Embraced by numerous restaurants and fast food chains, elevating operational efficiency and hygiene standards across the board.

### Features:

- Designed for simple, fast installation.
- Sustainable solution, no wasted water or harmful by-products.
- Eliminates the need for expensive hood and duct cleaning.
- Available to retrofit into existing hood installations, or as a custom OEM solution.
- UL Listed and NSF Certified.

## PRODUCT SPECIFICATION

# ICEZONE

**Range:** Surface Range

**Description:** Automatic cleaning solution for ice machines and refrigerators

### Specifications:

**Length:** 303mm

**Width:** 108mm

**Height:** 52mm

**Weight:** 0.51kg

### Reorder Information:

**ICEZONE Standard Lamp:** 10-08025

**ICEZONE Pro Lamp:** 10-08050

**ICEZONE Ultra Lamp:** 10-08100

### Included Parts:

- 1 ICEZONE Unit
- 2 Photoplasma Lamp
- 3 Photoplasma Tubing
- 4 Photoplasma Fittings
- 5 Mounting Screws/Rivets
- 6 Lamp Reset Tool
- 7 Power Adapter

### Applications:

Ice Machines and Bins  
Beverage Dispensers  
Refrigerators
